

Green Light Home Inspections Northwest

greenlightHINW@gmail.com

206-708-3202

Full inspection: An inspection of all exterior and interior surfaces and systems.

Pre-inspection: A walk-through of the structure to identify major defects.

If you choose a full inspection after a pre-inspection, the pre-inspection fee will be applied to the full inspection fee.

Service	Structure	Fee
Full inspection, max 2,000 sq ft:	Single family house	\$450
Full inspection, max 2,000 sq ft:	Condo or townhouse	\$300
Pre-inspection, max 2,000 sq ft:	House/condo/townhouse	\$250

For structures with total square footage greater than 2,000, or for duplex/triplex configurations, please contact us for a quote.

If you present a Green Light Home Inspections Northwest business card, you will receive \$50 off any service.

Limit 1 per client.
